Enclosure No. one

Subject:- Re:- including the Muzrai Appeal Register in the sanctioned standard list.

****

Sir,

I have the honour to state that the Superintendent, Government Printing, was requested to print and supply Register of Appeals for use in this office, and he has stated in reply No.P.C.388 dated 6th November 1943(copy enclosed) that this register is not the one prescribed in the standard list sanctioned by Government for supply to this office, and that therefore sanction of Government may be obtained to include this Register in the Sanctioned Standard list.

I request therefore that sanction of Government may be obtained to print this register in the form given as the same will be useful in all the offices under my control.

I have the honour to be,
Sir,
Your most obedient servant,

Inclusion of Mwr. Appeal Register for use in the office of the M.C. and those in the standard list

2526/R

Mwr. File No. 164 — 1943-44 Page 2.

(1) Since it is reported that this register will be used not only in the office of the M.C. and R.C. but also of the subordinate offices where appeals are admitted, it may be included in the sanctioned standard list of Registers as proposed by the M.C. in Consultation with the Govt. Press Superintendent.

The column headings require slight modification as indicated in the sample form since received and put up. It is informally learnt that the breadth of the columns will have also to be changed, by readjusting the column spaces. This may be left to the Press. As regards the printing of a register for nominal index, there does not seem to be any necessity for this now as This was printed more than 20 years ago. when the practice of preparation of a separate index to appeal cases was in vogue.

(2) The M.C's proposal may in the circumstances be sanctioned

With reference to your letter No.PR.1523/42-43, dated 27th September 1943, addressed to the Superintendent, Government Printing, regarding the printing and supply of Appeal Register as per sample forms enclosed therein, I have the honour to state that this register is not the one prescribed in the standard list sanctioned by Government for supply to your office. I, therefore, request you to kindly obtain the sanction of Government to include this register in the sanctioned standard list. As such register is required for use in all the controlling offices, the Special Accounts Officer, who examined the form has taken action for the same being treated as a common register of supply to such of the offices that need them.
